Shower Commode Specialists

About us

Shower Commode Specialists are manufacturers and importers of high quality shower commodes and have a single-minded focus to providing the most appropriate shower commode for all situations.

Shower Commode Specialists supply a broad range of products including standard transit and self-propelling, manual and power tilting and highly customisable options to provide comfort and practicality for occupants and carers.

With an impressive range of commodes kept in stock and distributed on a national scale, Shower Commode Specialists readily deliver exceptional value for money.

Shower Commode Specialists product solutions comply with Australian Standards requirements and can be easily serviced by local technicians.

Customisable shower commodes are tailored specifically to suit individual requirements, from frame dimensions and locally manufactured options through to height adjustability.

Shower Commode Specialists' Australian manufacturing plant utilises Orthotist and Seating specialist input to design, build and deliver custom mobile shower commodes in only a matter of weeks.
